General Information:

Organized by the Chinese Society of Rare Earths, the sixth International Conference of Rare Earth Development and Application (ICRE'2010) will be held on August 2-6, 2010 in Beijing, China. China Rare Earth Summit will also be held during the conference. For more information please visit our website: <http://www.cs-re.org.cn/icre2010/>

Scopes:

The ICRE'2010 will focus on the topics of rare earth science, technology, and applications. The proposed scopes will include:

- A.** Coordination Chemistry, Organometallic Chemistry, Analytical and Environmental Chemistry.
- B.** Magnetism and Magnetic Materials.
- C.** Catalysis and Catalytic Materials.
- D.** Spectroscopy, Lasers, Optics, Luminescence and Phosphors.
- E.** Solid State Chemistry, Ceramic Materials, Superconductors, Metal and Intermetallic Materials, Battery and Fuel cells.
- F.** Nanomaterials and Applications.
- G.** Resources and Earth Science, Separation of Minerals, Metallurgy and Industrial Applications.
- H.** , Bioinorganic Chemistry, Life and Bioscience, Application in Agriculture, Modern Materials in Biomedical Applications.
- I.** Theoretical Calculations, Simulation, and Modeling.
- J.** China Rare Earth Summit: focus on Chinese rare earth industrial policies and worldwide rare earth economics.

Presentation:

The presentation will include **plenary** (35+5 min), **keynote** (25+5 min), **invited** (20+5 min), **oral** (15+5 min) lectures, and **posters**. All presentations are in English.

Schedule:

Aug. 2 (Mon)	Registration
Aug. 3 (Tue)	Opening Ceremony, Plenary and Oral Sessions, including China Rare Earth Summit
Aug. 4 (Wed)	Oral and Poster Sessions
Aug.5 (Thu) -6 (Fri)	Technical Tour, Close of ICRE'2010

The detailed schedule will be released on the conference website.

SOCIAL PROGRAM:

A Social Program and a Program for accompanying persons will be organized. For further information please visit the conference website.

Exhibition & Summit :

During ICRE'2010, there will be an **EXHIBITION** on rare earth products, equipments and technology; **China Rare Earth SUMMIT** on China rare earth industrial policies and worldwide rare earth economics will be also organized. If you are interested in the **EXHIBITION** and the **SUMMIT** , please contact with us.
